

Juki DDL-7000A-7

1 NEEDLE, DROP-FEED, DIRECT-DRIVE LOCKSTITCH WITH AUTOMATIC FUNCTIONS

The Juki DDL-7000A-7 is a 1 needle lockstitch machine with handy automatic functions such as thread trimming, backtack, and foot lift. These not only increase productivity but also make this machine very user-friendly!

This model is ideal for sewing light to medium weight fabrics such as cotton and polyester. It has the added benefit of being part of Juki's Eco Products range, and is more energy efficient than traditional machines. Whether you are a beginner or a practiced sewer, this machine will produce high-quality seams and is a great value option.
